

## Client Commitment

---

**Performance Finance promises superb value financial products that blend cash flow and tax relief to benefit you and your business.**

**Your chosen facility will be arranged promptly and will be provided in a courteous and professional manner by a finance expert.**

Performance Finance will fulfil its promise first time, every time for the following reasons:

### **Independent**

Offering products and solutions from a variety of lenders, Performance Finance is independent. You therefore benefit from our competitive edge and flexible approach.

### **Specialist**

**Performance Finance only works with healthcare professionals**, so the real issues affecting your business and marketplace are understood. You can therefore rely on the advice we offer.

### **Simple**

You benefit from our simple and efficient procedures so you can be confident of a prompt and accurate service time after time.

### **Secure**

As a member of the National Association of Commercial Financial Brokers (NACFB), Performance Finance operates under their Code of Conduct. This helps protect you from fraud and malpractice whilst raising our standards through training, education and information.
