Tax Relief dropping sharply through 2012

Make the most of your Tax Breaks before it's too late.

As part of the Governments 'austerity measures' the **Annual Investment Allowance** is being **slashed from £100,000 to just £25,000.**

For a 40% tax payer this could mean paying as much as £22,550 in additional tax in 2013.
See overleaf for more information or speak to Performance Finance about how to squeeze the most from HMRC before it's too late.

**As ever we promise exceptional service,
sound advice and fast funds.**
