Unleashing your capital's potential

# Charity Skydive

Five members of the Performance Team (Stuart Burn, Peter Ward, Pete George, Neil Verlander and Stacey Pywell) completed a Tandem Free Fall from 12,000 feet on Saturday 20th August.

Before

After

Stuart said, 'We were all lucky enough to survive despite it being a terrifying experience!!'

Some did say it was a 'real buzz' but I'm not so sure.....

Anyway if you'd like to donate, even a small amount, both we and our charities would be extremely grateful.
