

Charity Skydive

5 members of the Performance team including myself will be throwing themselves out of a perfectly good aeroplane at 13,500 feet, hopefully with parachutes attached!!

Teaming up at Sibson Airfield, near Peterborough, on the 20th August will be:

This is all in the name of charity, well 3 charities in fact all very close to Performance Finance and our many clients:

Dental - Bridge to Aid

Almost three quarters of the world's population have no access to the most simple dental pain relief. Bridge2Aid is working to address this terrifying problem, by providing access to dental pain relief for the millions of people suffering in the developing world.

Optical - Vision Care for Homeless

Vision Care for Homeless People is a UK charity set-up to provide eyecare services to homeless and other vulnerable people in an accessible and friendly environment in which they feel safe, welcome and comfortable.

Veterinary - Worldwide Veterinary Service

Supporting animal welfare charities across the globe with volunteer teams, veterinary drugs, equipment and advice

How to support us:

Sponsorship at any level will be extremely well received by these fantastic causes, even the smallest donation helps us immensely, remember every penny counts!

Please make cheques payable to **Bridge2Aid, Vision Care for Homeless People, Worldwide Veterinary Service or Performance Finance Ltd** should you wish for us to distribute the monies evenly. We also aim to gain some specific press coverage of this event and hope to raise our profile with clients and suppliers alike whilst raising a fantastic amount of money for 3 very commendable charities that do some incredible work for those less fortunate than ourselves.
