Can you spare some time?

In addition, any Optometrists wishing to give up just a little time each month would also be of great benefit to the charity. This doesn't have to be every month and is usually from a couple of hours to a half day. Visioncare have 3 centres in London and one in Birmingham.

This is such a genuine opportunity to give a gift that really makes a difference to someone's life. You can commit to working in a clinic as frequently or infrequently as you can. The charity would prefer a regular commitment (once a month) but appreciate that it is not always possible and are grateful for any help available. **Please contact, Harinder Paul on 07973 641917.**
